## HOMECOMING 2024

### Varsity Teams Bring Homecoming Spirit to the Elementary School

Last Friday, our varsity sports teams made a special visit to the local elementary school to kick off the homecoming weekend festivities. The event, known as “Fist Bump Friday,” was a huge hit with the young students. The varsity athletes spent time interacting with the kids, sharing high-fives, and of course, plenty of fist bumps. This initiative not only built excitement for the upcoming Pep Rally but also fostered a sense of community and school spirit across all ages. Go teams!
