The girls tennis team secured a thrilling victory against Wayland-Cohocton with a final score of 3-2. Key contributions came from singles players Alex Boutelle and Claire Thompson, as well as the doubles team of Zadie Vitulli and Leah Baker. Notably, Zadie and Leah have been on an impressive winning streak, triumphing in their last four matches as a doubles team. This win is particularly significant as Wayland-Cohocton had previously defeated us 4-1. Congratulations to the team for their hard-fought and well-deserved victory!

## LOVE IT!

I am pleased to announce that Hadleigh Watson and Alex Boutelle have tied for 3rd place in the Individual Sectionals as a doubles team. This outstanding performance has qualified them to compete in the State Qualifiers.

The State Qualifiers will be held at the Mendon Racquet Club on October 18th, with the event commencing at 12:00 PM. On this day, Hadleigh and Alex will also receive their sectional patches in recognition of their achievement.

We wish them the best of luck in the upcoming tournament and are confident they will represent our team with excellence.

*Awesome  
NEWS*

Our program continues to produce college athletes at an impressive rate, a testament to our commitment to quality and future-focused training. Each of these athletes has emphasized the importance of prioritizing academics over athletic scholarships, reminding us to “focus on the classroom.”

### Rally in the Valley Results: Outstanding Performances by All Squads

We had a fantastic meet at the ‘Rally in the Valley’ with significant improvements across all squads. What we are doing is clearly working, so let’s keep the faith!

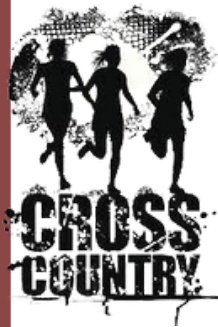

#### Boys Team Achievements:

- Our boys team has entered the State rankings at number 12, marking our first ranking since 2019. Congratulations to all the young men for their hard work and dedication.
- The boys performed exceptionally well today, finishing 6th behind all State-ranked teams (Class A, Class B, Class C, and two from Class D).

#### Girls Team Achievements:

- Our girls team finished second, just behind Pittsford Sutherland, the number 2 ranked Class B school.

Please continue to encourage your athletes to stay focused on our training and strategies. It truly is making a difference. Thank you for your support!
